[CLIENTS' STORY]

With the New Year bringing us new hopes, we are marching ahead with your support. The last month of the year has been very fascinating with a lot of interesting stories of our clients and more events which we are delighted to share.

MR. SABYASACHI DUTTA, SANATAN BISWAS & ABHIJIT SENGUPTA

The Kati roll was invented in the first half of the 20th century in the city of Kolkata and its origins can actually be traced back to a single restaurant, known as Nizam's. At the time of the Kati roll's conception, Kolkata was the capital of the British Empire.

Even today Rolls - Egg, Chicken, Egg-Chicken, Mutton or Veg Paneer Alu Rolls are hot favorites in Kolkata. We can say specialty of famous Kolkata food.

Three of our clients Sabyasachi, Sanatan & Abhijit decided to take Kathi Rolls experience to a greater height and brought the famous Kathi Junction of Delhi to Lake Town Kolkata. On 30th January the outlet Kathi Junction started operating.

Today despite difficult times with Global Health Emergency "Kathi Junction Lake Town" continue to serve the best hygienically packed Hot Kathi Rolls.

Chef Golden from Delhi & Chef Sarojit from Kolkata consistently prepare high quality rolls with authentic range of spices, which is quite different as the ingredients used are different than the routine ones.

All products are blended in spices which ensure consistency in the flavors in making of most authentic Kathi Roll in Kolkata.

MR. ANIT NATH MUKHERJEE

Mr. Anit Nath Mukherjee did his first US TV interview in 2020 for WISN-TV. He believes with the COVID-19 vaccine almost ready for distribution, an ID card would be needed for returning to normal. He along with the Center for Global Development said some sort of technology is needed to verify whether people have had the vaccine, some sort of assurance that they have been vaccinated. It's something he helped develop when he was in India's Department of Finance.
